1 Introduction

This document explains how to use software.

2 Running the Application

After the successful installation of software and all its dependencies, see what you can do with this application.

This application has functions of a lightweight rich text editor.

Figure: Editing in Banglapad

2. You can save the text in .bng format (formatted text) or in .txt format (unformatted text), as Unicode or normal text.

Figure: Saving in .bng (formatted text)

Figure: Saving in .txt (unformatted text), as UTF8. In .txt the formatting of the text will be lost.
